

Material Safety Data Sheet

Section 1 - Product Identification

Manufacturer

Envirosafe NZ Ltd.
PO Box 7366
Te Ngae, Rotorua, 3042

Product Trade Name:

Waterspot Remover / Polish

File Code: WSRP

Preparation Date: March 8, 2005

Contact Information:

Andy Munro

Phone (0800) 254-644

Section 2 - Health Hazards

Primary routes of entry: Skin, ingestion

Health hazards:

Eyes: Can cause irritation to eyes from solids content.

Skin: May cause irritation to skin with extended or frequent, repeated exposure.

Inhalation: Not a likely source of exposure.

Ingestion: Not a likely source of exposure.

Emergency First Aid

Eye contact: Begin treatment immediately if exposure warrants it.

Flush with potable water for 15 minutes. Consult a doctor if pain persists.

Inhalation: Remove subject away from source and into fresh air.

Not a likely occurrence.

Ingestion: If swallowed, do not induce vomiting. Give victim a glass of water or milk.

Never give anything by mouth to an unconscious person.

Skin contact: Flush from skin with clean water. If irritation persists, get medical attention.

Section 3 - Hazardous Ingredients

Ingredients	Max. %	CAS Number	Sec 313	Exposure Limit Values ACGIH	
				TLV	STEL
Stoddard solvent	20	8052-41-3	No	100 ppm	
Nuisance particles (from dry product)	ND	Not established	No	15 mg/m ³ total dust 5 mg/m ³ respirable fraction	

HMIS Hazard Ratings: Health: 0 Fire: 0 Pressure: 0 Reactivity: 0

Hazard Rating Definitions: Least = 0 Slight = 1 Moderate = 2 High = 3 Extreme = 4

Section 4 - Physical Data

Boiling Point deg. F:	Not determined	Specific Gravity:	Not determined
Vapor Pressure (mm Hg):	Not determined	Melting point:	Not applicable
Vapor density:	Not determined	Evaporation rate:	Not applicable
Solubility in water:	Partial		
Carcinogenicity: NTP:	No	IARC:	No
Appearance and odor:	Carmel color, lemon-lime fragrance	OSHA:	No

Section 5 - Fire and Explosion Hazard Data

Flash point: None

Extinguishing media: Use equipment appropriate to the main cause of the fire.

Special fire fighting procedures: None

Unusual fire and explosion hazards: None

Section 6 - Reactivity Data

Stability: Product is chemically stable. Product is not subject to hazardous polymerization.

Hazardous decomposition of products: Decomposition does not occur spontaneously.

Incompatibilities:

None known.

Section 7 - Spill and Disposal Procedures

Container: Rinse container thoroughly before disposing in a safe manner.

Spills: Small spills may be flushed to sanitary sewer with large quantities of water.
Do not dispose to surface waters or storm sewers.

Disposal: Dispose to approved solid waste site.
Follow all local, state and federal regulations.

Section 8 - Safe Handling and Use Information

Keep lids on containers. Store away from heat. Keep out of reach of children.
Wash hands after use, before smoking or using the toilet.

Respiratory protection: Wear dust mask if conditions require it.

Ventilation: Not needed under intended use conditions.

Protection equipment:

Skin: Water proof gloves are recommended for periods of extended contact.

Eyes: Not usually needed.

Section 9 - Special Precautions and Additional Information

Shipping Classification: None required. Not regulated

Information presented herein has been obtained from sources considered to be accurate and reliable. However, it is not guaranteed to be so. Also, since conditions of use are beyond our control, supplier makes no warranties, express or implied for safety or appropriateness of the product for use made of it.
